Spelling Words

- At the end of every 6 weeks, we will give a Random Sampling Spelling Test. This will consist of any words from the previous lists. We will randomly choose words from List A & the Both section of the Spelling Card. This will let us see if your child is learning the spelling patterns or just memorizing the words each week.

Math/Science/Social Studies:

Students will continue Subtraction using pictures & counters.

Students will learn How Plants Grow.

Students will learn about Goods and Services.

Religion:

Students will learn that Jesus Teaches Us About Love!
